GRIME CULTURE: BOILER ROOM

BRITISH  
GRIME  
CULTURE

Boiler Room is the embodiment of urban British sound and Culture. Over the years Boiler Room has found itself being a quintessential cornerstone of grime culture. First starting off as an underground set filmed with a web cam taped to the wall, Boiler Room has featured sets from the likes of BBK, Kano and Sir Spyro. In present day, these sets are broadcasted worldwide with audiences from all regions including Tokyo, Berlin & the US.
